Mr. Abe Manley
71 Crawford St.
Newark, N. Y.

Dear Mr. Manley:

This is to let you know that during the week of August 17th we have a chance to take a ball club to Buffalo and vicinity to play for four or five days. If you are interested in these dates please let me hear from you immediately; so I can get the Buffalo promoter started to work.

Send me the dates that you probably can handle after looking over your schedule. I will have the promoter in Buffalo to contact you directly as soon as we are definitely set on dates. Then you can send publicity, pictures, cuts and mats or any data that you may find necessary for your team.

Wishing you a very successful season and win every game that you play until you meet the Black Yanks.

Very sincerely yours,

George Mitchell
